

## **Chad Kaercher**

ELC Secretary

Commercial Insurance Broker at Kaercher Insurance, and Alera Group Company

As a third generation Las Vegan it was destined that I follow the family footsteps. I have been involved with Kaercher Insurance since 2015. Current industries of focus include municipalities, commercial property, and builder risk. I develop close relationships devoting my time to provide the most outstanding service. I provide clients a deep insight in to how to think strategically and analyze complex risk management issues.

Over the years, I have had the privilege to work with numerous successful brokers and shadowed them as they developed their books of business. At Kaercher, we believe in giving back to the community with both philanthropic activities for our employees as well as giving back by supporting the independent insurance agents channel. The industry is vital to my and my family's livelihood and it is imperative for us to support the Nevada Independent Insurance Agents, Big I, and the Emerging Leaders. Being an Emerging Leader myself , I have recently joined the ELC and have been elected as the 2021-2022 Secretary.

In addition to the traditional networking mixers, I also enjoy participating in the golf tournaments and professional events hosted by the NIIA and ELC. It is important to be involved with the organization that supports independent agents and advocates for what is best for our industry.
