

Message from the Emerging Leaders Committee Chair:

Michael Mitchell

Aim to Excel with the Nevada Emerging Leaders.

The ELC Committee is excited to host several events in 2022. There are many opportunities to network with peers and other industry representatives to develop relationships that are personally and professionally rewarding. Emerging Leaders aim to excel by developing insurance, sales and leadership skills through the NIIA and ELC events and programs. For the love of baseball, we hope you will join us with your family at the ELC Night Out events at the Las Vegas Ballpark and the Greater Nevada Field. Our partners and sponsors make it possible for us to host these events at special prices for our members. Be sure to mark your calendar for the very first EMERGING LEADERS SUMMIT June 15 at the GVR.
