

August word of the month Levitate

Thank you again for all who joined us at the NIIA Annual State Convention at the Green Valley Ranch in Henderson, Nevada.

The event had great reviews and it is clear our membership is looking for a community where they can come together access information, relevant data, and tools to help catapult their organization to the next level. The top four topics of interests from our event survey are leadership, roundtables with carriers, DEI, and sales training. NIIA and Emerging Leaders Committee are excited to bring this content to the upcoming events and opportunities. This year is all about supporting the youth in the industry and levitating emerging leaders as they are our Future. You ask, "how do I support the future", contact us at [membershipservices@niiia.org](mailto:membershipservices@niiia.org) and we will guide you.
